**PAS Agencies:** PAS Agencies are ISC's (Independent Service Coordinator's). They become the advocate for families looking for services for loved ones.

PAS agencies...

- Are based on the current county the individual lives in
- Screen individuals to determine eligibility for Illinois services/funding
- Educate individuals and families, provide resources, and assist with the service selection process
- Determine which services are needed for individuals which are established through the assessments and evaluations
- Gather and supply all documentation/information needed to support PAS/ISC determination to potential and/or current service providers
- Provides 24-hour help

To find the ISC in your area please click <https://www.dhs.state.il.us/page.aspx?module=12> and select "Developmental Disabilities Services"

**PUNS:** Each year, the state of Illinois does a lottery style drawing selecting roughly 3,000 or so people to receive funding.
