

LISTENING & SPEAKING BEING WITH A PERSON LIVING WITH DEMENTIA A WEBINAR PRESENTATION

Presented by **Chris Petrik, RN, BS, CDP, CADDCT**, Training Specialist
Elderwerks Educational Services

During this presentation, Chris will explain why people with dementia have unique communication needs; she will help identify strategies for communicating with, and recognizing the impact of your interactions, with those with dementia; she will also discuss how to look for meaning in their verbal and non-verbal communications.

MONDAY, AUGUST 24, 2020
