

CULTURAL DIVERSITY IN DEMENTIA CARE

A Webinar Presentation

Chris Petrik, RN, BS, CDP, CADDCT, Training Specialist
Elderwerks Educational Services

During this interesting presentation, Chris will be discussing ways that the rate of dementia can be affected by an individual's sex, ethnicity, or race. Chris will go over the factors that should be considered when diagnosing and treating a diverse population. She will provide effective communication techniques to use with people from diverse backgrounds.

WEDNESDAY, JANUARY 6, 2021
