

DEPRESSION AND DEMENTIA

A WEBINAR PRESENTATION

Presented by **Chris Petrik**, RN, BS, CDP, CADDCT, Training Specialist
Elderwerks Educational Services

Many people diagnosed with dementia may also have been previously diagnosed with depression. This can further impact their behavior and how they interact with caregivers or other residents. During this interesting and relevant presentation, Chris will discuss how to identify depression & dementia including how they can impact each other and treatment options available.

WEDNESDAY, SEPTEMBER 9, 2020
4:00 PM to 5:00 PM ~ Webinar Presentation

\$5.00* – 1.0 CE Credit will be awarded to Illinois nurses, social workers, and professional counselors. Payment may be made during registration.

Webinar access information will be emailed after registration and when payment has been made.

Please join us for this important topic!
