

CAREPLANNING

DON'T BE FOOLED BY THE 1,2,3'S OF ELDERCARE PLANNING!

Planning for our future or the future of a loved one can be confusing, almost like learning another language. Terminology and explanations can be unknown or seem more difficult when in crisis. Attend this program, presented by Carol Raso, Community Resource Consultant with Elderwerks, and Helen Mesoloras, Elder Law Attorney, to learn this new language so you can plan for a smoother and safer future.
