

Elderwerks Aging Better Virtual World Instructions

Elderwerks Virtual World

Attendees at Elderwerks Aging Better Expo will have three options to attend the Expo:

1. Watch live on Elderwerks Facebook page.
2. Watch live on Elderwerks YouTube channel.
3. Join Elderwerks Virtual World. In this interactive, virtual platform, attendees build their avatars and walk through the Expo. The avatar interacts through chat. View all live sessions, interact in tabletop discussions, and collect Elderwerks butterflies to win prizes. Avatars can visit all booths and chat with the booth representatives (live or by appointment). It will be an exciting interactive experience!

The first session begins on Monday, August 9th at 8:45 am with our keynote speaker, Paula Basta, the Director at the Illinois Department on Aging and runs through Friday, August 13th.

Elderwerks Virtual World will be available, for viewing, 24 hours per day for up to 6 months following the Expo. Watch the recorded sessions and visit the sponsors booths anytime you have time.

All sessions are being recorded and will be available on Elderwerks website for viewing following the Expo.

We are excited about this year's virtual expo, and hope you are too!
