5:00pm – 5:30pm Sign-in and Dinner | 5:30pm – 6:30pm Presentation

Join us for this important discussion on sexual harassment. Workplaces must create a safe, respectful and egalitarian environment for all staff and clients. We each have a personal responsibility to promote a workplace culture that is positive, affirming and free of sexual harassment. We can all give thanks to the #MeToo movement for encouraging this much needed change, which aims to make workplaces safe and positive for all.
