## The Future . . .

### A Triage of Ideas for Action

#### 3 Ways to Cover the Rising Costs of Chronic Illness Home or Facility Care – Without Going Broke!

Presented by **Carol S. Brandt**  
Brandt Financial Concepts, Inc.

Meet Carol Brandt, President and Founder of Brandt Financial Concepts, Inc. - a local and independent boutique firm. Carol is a valued resource to the community with a passion and focus on mind, body and financial fitness for professionals and everyday people.

Carol will take us from scared to better prepared with the newest ideas and most efficient ways to cover what medical insurance and Medicare do not cover – the rising costs of chronic illness care – at home or away. Please be aware this is not a Medicaid-related presentation.

This is essential education for us and our loved ones. With a promise to leave us informed, inspired and armed with take-a-way ideas for action – perhaps some tips on fitness and longevity, if time permits, we hope you will join us to plan for **The Future**.
