Do you wonder why some people are a song in your heart and others are a pain in the neck?

Author Sheila Glazov will offer you the answers from her popular book, *What Color Is Your Brain?*®, which simplifies the complex nature of the four Brain Color Personalities. Sheila's fascinating and fun approach will help you understand yourself and others and teach you how to create more harmonious relationships in every facet of your life!

Sheila's color-filled techniques will help you:

- Recognize and value your strengths and idiosyncrasies.
- Understand why your perspective differs from the viewpoints of others.
- Communicate effectively and resolve conflicts quickly.
- Keep your energy up and your stress down.
- Improve your rapport with your patients and their family members.
